COMPANY

Located in a former suit tailor's store room, our first bar offers classically inspired cocktails in a unique and evocative atmosphere, reminiscent of its previous incarnation. A stripped back interior paired with a Soul & Funk soundtrack and an unparalleled attention to detail cements DSC as one of the East End's must-visit bars.

An award winning neighbourhood bar that honours its roots, The Sun Tavern offers classically inspired cocktails, London's largest selection of Irish Whiskey, the world's largest collection of Poitín, local fine ales, resident DJs, live music and a small but perfectly formed food menu.

Born out of necessity during lockdown 1, where we kept the East End and beyond sufficiently lubricated with bottled cocktails, cocktail kits, low intervention and natural wines, small producer spirits and of course Irish Whiskey. Due to our success we have launched our first bricks and mortar store - The Umbrella Workshop.
