## **THE UMBRELLA PROJECT ONLINE SHOP**

Born out of necessity in early lockdown 2020, our online shop was created to sell everything you need to have The Umbrella Project bar experience at home. Whether its bottled classic cocktails, cocktail kits or independent and small producer spirits, liquors and wines.

Available for UK and international shipping, and of course you can click and collect right here at The Sun Tavern.

---

## **COCKTAILS**

Espresso Martini, Americano, Irish Coffee. One of these things is not like the others, but we can do all three. See inside for drinks by us and ask if you want something off-menu.

---

## **WHISKEY & POITÍN**

London's largest selection of Irish Whiskey, the world's largest legal collection of poitín. Ask to see the Parliament Whiskey & Poitín List.

---

## **LOCAL HEROES**

Our beer list changes so often, we can't write it down. Ten taps, all brewed in London from independent breweries and served in proper pint glasses.

---

## **FOOD, WINE & FIZZ**

Meat, Cheese, Bread and More. A small but perfectly formed food menu of eight dishes, painstakingly chosen by us and curated by our friends at Provisions London alongside Red, White, Rosé and Sparkling Wines.

## **DISCOUNT SUIT COMPANY**

Located in a former suit tailor's store room, our first bar offers classically inspired cocktails in a unique and evocative atmosphere, reminiscent of its previous incarnation. A stripped back interior paired with a Soul & Funk soundtrack and an unparalleled attention to detail cements DSC as one of the East End's must-visit bars.

---

## **THE SUN TAVERN**

An award winning neighbourhood bar that honours its roots, The Sun Tavern offers classically inspired cocktails, London's largest selection of Irish Whiskey, the world's largest collection of Poitín, local fine ales, resident DJs, live music and a small but perfectly formed food menu.

## **WORKSHOP**

Born out of necessity during lockdown 1, where we kept the East End and beyond sufficiently lubricated with bottled cocktails, cocktail kits, low intervention and natural wines, small producer spirits and of course Irish Whiskey. Due to our success we have launched our first bricks and mortar store – The Umbrella Workshop.
